## Parent's Code of Conduct

- I will make soccer participation for my child and others a positive experience.
- I will remember that a child is easily affected by outside influences.
- I will not try to coach, criticize or instruct my child during a game. This should be left up to the coaching staff only, and understand that the players will get confused if more than one person is instructing them.
- I will assist and aid the coaching and management staff of the team, and Hockessin Soccer Club in general, in whatever way possible to help create an environment conducive to the development of our team.
- I will not address another parent, on my team or another team, in a negative manner in relation to their child or child's play in general.
- I am involved in youth soccer for my child and for his/her personal development.
- I will applaud good plays by our team, and by members of the opposing team.
- I will respect the judgment of the referee, and never question their officiating. They follow a creed to watch every movement of every player, and to call the game to the best of their ability.
- I will accept the results of each game, and encourage my child to be gracious in victory, and turn defeat to victory by working towards improvement.
- At games or practice sessions, all parents/spectators need to hold themselves accountable for their own behavior. Please make our children's experience a positive one. Sit back, relax and enjoy the game
