

Hockessin Soccer Club In-House and CYO Game Reporting

There are no game reports to complete.

However if there are any incidents of note please email David Cartwright at cart1961@verizon.net

An incident of note includes:

- 1) You do a different role than you where assigned. I want to ensure you get paid appropriately so if you were assigned as an AR and you do the middle let me know.
- 2) A colleague does not show. I need to ensure that referees do not get paid for games where they did not show up. So if this happens can one of the referees on that field let me know.
- 3) A RED card, please provide details including team name, player name and as much information as possible.
- 4) Unruly parents or coaches. We cannot issue Red card parents or coaches in USSF but you can eject them. If this happens let me know which team they are associated with and if possible the coaches name. (I do not expect you to get parents names).
- 5) Anything else that you think requires league action.
