

About the Academy

HSC Pre – Season Team Academy is structured to give players an opportunity to improve their technical and tactical abilities in training and match situations. Players from within the club will be grouped with their team for the 2012 - 2013 seasons. Players from outside the club will be grouped according to ability, experience, maturity, and competitive spirit. The Academy will aim to prepare HSC teams for the up-coming fall season while promoting team and club unity.

Who Should Attend?

Academy participants are expected to come equipped with enthusiasm to learn technical skills, tactical decision making, and to enjoy the competition of playing soccer. All HSC Representative U9-U14 boys and girls are strongly encouraged to attend the academy, as well as U15-U18 girls.

Equipment:

Players should bring the necessary practice gear; including a soccer ball, soccer shoes, water, rain gear, and sunscreen. Shin guards are required for all sessions. All participants will receive an academy T-shirt.
